50, Purvi Society Part 2 Hirabaugh, Surat - 395008

Experienced Shopify Team Leader and Web Developer with 6+ years of expertise in building, customizing, and optimizing high-performing eCommerce websites. Currently leading the Shopify department, managing a team of developers, and overseeing successful project delivery from concept to launch. Skilled in custom Shopify development, theme customization, app integrations, performance optimization, and implementing advanced functionalities to meet business goals. Proven ability to deliver user-focused solutions that enhance customer experience and support business growth. Strong leadership, problem-solving, and project management skills with a passion for innovation and excellence in the eCommerce industry.

EXPERIENCE

● CIRCLE STUDIO PVT LTD

2020 - Present

> Senior Shopify Team Leader | Current

- Leading the Shopify department and managing a team of developers for successful project delivery.
- Overseeing project planning, task allocation, timelines, and quality assurance.
- Providing technical guidance, mentorship, and code review support to team members.
- Coordinating with clients and internal teams to deliver business-focused eCommerce solutions.
- Ensuring timely completion of multiple projects while maintaining performance standards.

> Junior Shopify Team Leader

- Assisted in managing team workflows and assigning tasks to developers.
- Monitored project progress and ensured deadlines were achieved.
- Supported team members in resolving technical issues and improving productivity.
- Conducted testing and quality checks before project launches.

> Senior Shopify Developer

- Developed custom Shopify themes and advanced functionalities based on client requirements.
- Integrated third-party apps, APIs, and external systems.
- Optimized website speed, responsiveness, and user experience.
- Managed Shopify migrations from other platforms such as WordPress and WooCommerce.

> Shopify Developer

- Built and customized Shopify stores using Liquid, HTML, CSS, and JavaScript.
- Converted Figma/PSD designs into responsive Shopify websites.
- Implemented frontend features, bug fixes, and store enhancements.
- Ensured mobile responsiveness and cross-browser compatibility.

PROJECTS

- **EV CABLE SHOP**
 - Successfully migrated the complete website from WordPress to Shopify, including products, customers, orders, and other store data using LitExtension.
 - Recreated the existing WordPress design in Shopify while maintaining the original branding and user experience.
 - Implemented custom Shopify functionalities and optimized the website for better performance and usability.
 - Integrated external API provided by the client to fetch vehicle data dynamically for product compatibility and customer convenience.

- **PLATEFUL**
 - Developed the complete Shopify website based on client-provided Figma designs and detailed specifications.
 - Converted pixel-perfect UI/UX designs into a fully responsive and high-performing Shopify store.
 - Customized theme sections and functionalities according to client requirements.
 - Ensured seamless user experience across desktop and mobile devices while maintaining design accuracy.

- **CAPSULEWD**
 - Built the complete Shopify website using the Dawn theme based on client-provided Figma designs.
 - Developed a fully responsive, pixel-perfect storefront while maintaining design consistency across all devices.
 - Implemented advanced custom functionalities and complex features tailored to specific business requirements.
 - Customized Shopify theme sections, templates, and user experience flows for improved performance and usability.
 - Delivered a scalable and optimized website aligned with the client's brand vision and goals.
